Skip-a-Payment

MRCU's Skip-a-Payment program is back again! Simply fill out the form below and return it to us with your \$10 donation. We'll set up your account to skip your next payment and donate that \$10 to the Children's Miracle Network (CMN), a credit union-sponsored organization that raises funds for children who are sick. CMN provides hospital care to children based on need and not ability to pay. Your dollars stay in the Kansas City area to help children at the KU Pediatrics Facility!

When you skip a payment your loan term is extended. You simply pay your regular payment on the next due date. The \$10 donation lets you skip one month's worth of payments, whether you are on a monthly (1 payment), bi-weekly (2 payments), or weekly (4 payments) schedule. The months you may skip are November, December, or January.

Please enclose your \$10 donation. To ensure your request is processed on time, we need to receive it at least 5 business days before the payment date you wish to skip. Payments may not be skipped on mortgages, HEL-OC's, 2nd mortgages, or any loans that are more than 10 days past due. Visa credit cards are not eligible for the skip-a-pays, but must be current.

Return this form to any Midwest Regional Credit Union office. NOTE: A separate \$10 donation is requested but not required for each loan you wish to skip. The payment(s) you wish to skip must fall not later than January 31, 2021.

Skip-a-payments may affect GAP insurance that you have purchased on this loan. Contact a loan officer to discuss how.
